Objective

- Passionate UI/UX designer with a strong foundation in web development and user experience principles.
- Proficient in design tools such as Figma, Sketch, and Adobe XD, as well as front-end technologies like HTML, CSS, JavaScript, React, and Redux.
- Adept at conducting user research, creating wireframes, prototypes, and designing intuitive user interfaces.
- Skilled in collaborating with cross-functional teams and incorporating user feedback into design iterations.

WORK EXPERIENCE

Website Developer & manager   Sep 2023 – Present
- Designed and developed user-friendly websites and applications, ensuring optimal user experiences.
- Stayed up-to-date with the latest technology and programming trends to implement best practices.
- Managed website forms and applications, ensuring smooth functionality and performance.

UI/UX Designer (University Group Projects)   Jan 2023- Jan 2024
- Conducted user research, created personas, user stories, and user flows to understand user needs.
- Collaborated with consulting and design teams on research, design, and prototyping of user interfaces.
- Created wireframes, mockups, and interactive prototypes to effectively communicate design ideas.
- Participated in usability testing sessions and incorporated feedback into design iterations.
- Contributed to the creation of design documentation and style guides.
  -

McDonald's crew member (Part-time)   Jun 2023- Jan 2024
- Provided exceptional customer service in a fast-paced environment, handling cash transactions accurately.
- Maintained a clean and organized work area, ensuring efficiency and customer satisfaction.
- Worked in various stations, including batch cooking, drinks, and front counter.

Website Developer   Mar 2022 - Jan 2023
- Designed and developed user-friendly websites and applications, ensuring optimal user experiences.
- Gathered requirements from cross-functional teams and translated them into fully-functioning applications.
- Kept up-to-date with the latest technology and programming trends to implement best practices.

Front-End Developer   Oct 2019 – Mar 2022
- Developed responsive web designs and single-page applications, ensuring seamless user experiences.
- Worked with React, web components, and functional interfaces to create dynamic and interactive interfaces.
- Collaborated with design teams to translate design concepts into functional and visually appealing code.

EDUCATION

Master of User Experience Design   Jan 2023 – Jan 204
Birmingham City University, United Kingdom

Master of Civil Engineering   Jan 2018
Ferdowsi University of Mashhad, Iran (GPA: 7.76/10)

OTHER ACHIEVEMENTS

Figma, Adobe XD, Miro   Feb 2022
(Online Courses)

Web Editing, React JS/Redux, IT Security, Python Associate (Certificate)   May 2022 - Aug 2022
i3center Inc, Iran & ICDL

Verified International Academic Qualifications   Aug 2022
World Education Services

SKILLS

- **User Experience Design (UX) and User Interface Design (UI)**
- **Accessible Design**
- **Familiarity with design tools such as Sketch, Adobe XD, Figma, Miro**
- **User research methodologies and usability testing experience**
- **HTML5, CSS3**
- **JavaScript, React JS, Redux**
- **Wireframing and prototyping**
- **Design thinking**
- **Problem-solving**
